Treasurer Report

- General account actual \$1,722.97; adjusted is \$928.51
- Teacher appreciation week cost was \$794.46. Mel will send a thank you in the Ram Reminder to the parents who helped and contributed to Teacher Appreciation week.
- Casino account actual and adjusted \$41,542.48. We're in a good position for next year with the next casino happening this June.
- Perhaps consider Skip the Depot or Co-Op linkage for donations. We don't have charitable status, which limits donation benefits. There would be an incentive for charity status in that donors would get a tax receipt and potentially receive larger donations. If we get charitable status, then accounting consistency is necessary and it links to the person's CRA account should there be a problem, that would be problematic for the person too. Alternatively we just do a cash donation request at

Open House and at Ram Reminder. Each family \$10?? Make it as friction-less as possible (link, QR code).

Casino Report

- License has been secured.
- 13 volunteers so far have signed up. We will request a stand-alone email to families outside of the Ram Reminder. We will draft a notice about what casinos fund (athletics and more!) Plus that if we don't have enough volunteers, the casino doesn't run and the AGLC would remove our ability to run a future casino.
- The advert and SignUp Genius for the upcoming casino needs to go into every Ram Reminder to ensure we have enough volunteers.

The meeting adjourned at 18:44.
